

Election of the House Representative for

(House/Floor | who the house representative is going to be representing **and the semester this election is taking place in** [WiSe../SoSe...])

_____ is running for house representative
and below are the signatures that are granting their vote for this person.

(The Houses/Floors that have less than 16 rooms should clearly cross out the excess rooms such that no misunderstanding on the ratio of signatures needed to signatures acquired can be made.)
